Dear colleagues and friends,

The 14th International Symposium on Fish Nutrition & Feeding (ISFNF 2010), on the themes of **Quality, Safety and Sustainability**, will be held on May 31- June 4, 2010 in Qingdao, China. On behalf of the Scientific and Organizing Committees, we are pleased to invite you to submit original research contributions on finfish or shellfish nutrition to this Symposium. We are committed to maintain the excellence from previous symposia with a program that encompasses topics of interest for researchers and industry alike.

Qingdao is the host city for the water sports of 2008 Olympic Games. It looks like a shining pearl enchasing in the east coast of China with its beautiful scenery and European style architecture. Red tiles, green trees, clear seawater and blue sky mirror Qingdao beautiful shape. Bared rocks, gentle waves, colorful shells and golden beach form the charming scenery Qingdao's coastlines. Historical culture, religions, civil traditions, village customs, holiday celebrations, and the myriad varieties of delicious cuisine and tasty Qingdao Beer put a rich meaning into Qingdao tourism.

We sincerely look forward to seeing you at the ISFNF 2010 in Qingdao, China.
